

Welcome to St. Patrick's Day, Savannah Style!

If you want to drink an adult beverage outside and enjoy our beautiful downtown, you must purchase a wristband each day (Thursday-Saturday) for \$10.

* wristband are not required during Friday's parade *

Purchase your wristband at any one of our convenient booth locations downtown. Signs will direct you to one of our sales tents to purchase your wristband. Your age will be verified. Don't leave your ID behind! Bars and restaurants are still required to check them, even if you have a wristband on!

If you plan to drink in a bar, you do not need a wristband – only if you plan to join the rest of the revelers in the streets. If you don't have a wristband, you will be asked to pour your drink out and be in violation of the city's Festival Ordinance of 2017. Festival map provided by riverstreetsavannah.com.
